

### ***We're Hiring!***

Are you looking for a job or a change in employment? We are a large, progressive and professional window cleaning company that provides a friendly, safe culture for our employees. We have been beautifying homes and business since 2000. We are looking for trustworthy, responsible, dependable people who want to have variety in their jobs.

Pay: You will be paid hourly to start, then a percentage of the job based on your experience level. You should have no problem making \$35,000+ per year if you are experienced and willing to work. If you are company orientated, can solve problems on your own and think outside the box, share our values and are committed to making our company #1 then there are chances for advancement.

#### **You Must:**

You must have a clean appearance, punctual, team player, customer focused. "We are looking to hire a customer friendly, team-oriented technician who enjoys working outdoors, learning new skills, working with customers and maintaining a professional appearance and attitude, you must;
