

**JOB POSTING DATE: March 21, 2018**

**Job Title:** Counseling Department (Part Time):  
**Company Name:** The Center for Prevention & Counseling  
**Address:** Newton, NJ

The Center for Prevention & Counseling is seeking a dynamic professional to join our skilled treatment team. This position is part-time, 15 hours a week, M, T and Th from 4 p.m. - 9 p.m. Duties include providing individual sessions and co-facilitating Intensive Outpatient groups at our agency.

Ideal candidate will have:

- a minimum of two years of experience providing services to individuals with substance use disorders
- knowledge of ASAM Patient Placement Criteria
- will offer a range of creative and meaningful didactic and process level activities for those in treatment
- CADC preferred, however we will review resumes of those working towards a CADC or LCADC \*

*\*This position may also be filled by an LSW or LAC seeking supervision towards end license if the individual is willing to concurrently work towards an LCADC.*

Our team is committed to best practice in treatment and offer close and experienced supervision to our staff. Please understand that phone calls will not be returned to applicants unless invited for an interview.

**Please submit resume to via email to:**

Rachel Wallace, LCSW, LCADC  
Director of Clinical Services  
Center for Prevention & Counseling
