Dear Chamber Member,

We are excited to announce that *Disney Institute* is once again bringing its renowned professional development course, *Disney's Approach to Business Excellence*, to Sussex County on Thursday, April 13, 2017. This new, full day professional development program will give business professionals an introduction into time-tested Disney business insights -- the same principles that established Disney parks and resorts as a global leader in service, leadership, culture, and employee engagement.

**As an area business leader, we are asking for your sponsorship support in helping us bring this prestigious course to our area.** Please see the attached information regarding sponsorship levels, benefits and pricing, some of which include complimentary tickets to the program!

In order to take full advantage of this unique, one-time opportunity and to ensure your inclusion on all related promotional materials, a timely commitment is necessary. Please call the Chamber at 973-579-1811 or email [mail@sussexcountychamber.org](mailto:mail@sussexcountychamber.org) for more information.

Thank you in advance for your consideration. The Sussex County Chamber of Commerce looks forward to collaborating with you!

Sincerely,

Tammie Horsfield  
President
