

JOB POSTING DATE: April 11, 2018

Job Title: Polarization Technician

Company Name: Thorlabs
Street Address: 56 Sparta Ave
City: State: Zip: Newton, NJ 07860

The position is responsible for the assembly of delicate precision optical components using established procedures and processes. Items include but are not limited to Calcite Polarizers, Crystal Quartz Depolarizers, Waveplates and Achromatic Retarders. Processes include inspecting, measuring, assembling, aligning and mounting small optical parts. Although the location of the position is in Newton, NJ, from time to time it may be required to undertake duties at other Thorlabs locations.

Essential Job Functions include the following, but are not limited to:

- Be team oriented and have great communication skills
- Assemble components and products of varying size and complexity
- Meet the expected assembly timelines that are outlined on daily reports
- Ask questions when instructions are not understood or clear
- Remain focused on daily production and assembly responsibilities
- Must maintain a safe and clean working environment through compliance with procedures, policies and regulations.

Experience Required:

- Minimum 2 years of experience in a similar position preferred.

Education:

- High School diploma or equivalent is required, and any additional technical education is a plus

Specialized Knowledge and Skills:

- Strong attention to detail
- Strong ability to work with components that are as small as ½ of an inch; must have a steady hand with excellent dexterity and eye-hand coordination
- Strong ability to work well in a group atmosphere, and comply with high quality standards.
- Strong ability to shift from one task to another to address changing production priorities.
- Reasoning Ability: Must be able to understand written work instructions and schematics for a wide range of products to properly assemble the final product.
- Mathematics Ability: Basic mathematic skills are required.

How to Apply:

Complete an application on the company's career site for consideration:
