We can use your help!  
SUNDAY, SEPTEMBER 16

Putting on **Sussex County Day** takes the efforts of many volunteers helping where they can and donating their experience and time. It is also a perfect way for students to gain their community service requirements in a fun way while giving back to the community.

We need volunteers to assist with all kinds of general activities on **Sunday, September 16** during the hours of 8:00 am - 5:00 pm including:

- Putting up festival signs
- Helping with the flow of attendees
- Assisting vendors and exhibitors during set up
- Event traffic/pedestrian control - making sure people and cars are moving about safely
- Helping set up, take down & move tables, signage, etc.

Stay all day or for just a few hours...
