*The Sussex County Chamber of Commerce
Celebrating 30 Years of
Quality in Business, Quality in Living*

From humble beginnings as a tourism association, the Sussex County Chamber of Commerce has become a dynamic force in the area with a membership base close to 700 strong. The Chamber's growth trajectory is a tale of persistence, patience and responsiveness to the needs of the area's growing business community.

The Chamber hosts a number of networking events including the popular monthly Business-to-Business Breakfast, two annual Business Expos and the community-oriented Champion of the Grill festival at the Sussex County Fairgrounds. Over the years, the organization has often taken the lead in clarifying the impact of state legislation on area businesses including its opposition in the 1990's to the New Jersey Development & Redevelopment Plan and the Highlands Study. Long a proponent of economic growth and its promise of higher living standards and greater prosperity for individuals, the Sussex County Chamber was instrumental in the formation of the Sussex County Economic Development Partnership in 1997.

True to its tourism roots, the Chamber remains the lead organization in the county for promoting available tourism opportunities. In the last decade the Chamber established the first permanent Visitor Center in Olde Lafayette Village, branded the area with the "Sussex Skylands" moniker, garnered a Tourism Award for Excellence in Tourism from the New Jersey Division of Travel & Tourism and landed over \$100,000.00 in tourism grant funding to promote the region.
